

What to Wear and Bring to Sunny Days

1. A large beach towel and bathing suit (may be worn under clothing). Boys may wear trunks in lieu of shorts.
2. A complete set of clothing, including underwear. All clothing should be comfortable. Pull up pants (no buckles or belts) are easier for changing. Camp can be messy – no special clothing please!
3. A nutritious lunch with drink in a labeled lunchbox. No soda, candy, gum or peanut butter. **WE ARE A NUT FREE SCHOOL!**
4. A large bag to carry all of the above.
5. Shoes that buckle, tie, or have Velcro closures with rubber soles for safety on equipment. No crocs, clogs, jellies, flip-flops or slip-on sandals.
6. Sunscreen must be applied at home. Do **not** send sunscreen to camp with your child. Waterproof block is a good idea. Campers may bring sunglasses and hats.

** All items worn or brought to camp must be clearly
LABELED

with your child's name! **
